In **access to services** the aim is to ensure that all those who receive from the Council or wish to use a Council service can do so without fear of discrimination or disadvantage.

All people are entitled to be treated fairly, in a consistent manner and with dignity and respect.

Employees & Recruitment

1. The Parish Council shall provide an environment free from discrimination and harassment and it recognises the contribution made by staff from all backgrounds especially from those within the above Protected Groups.
2. The Parish Council will take full account of the provisions of the Equality Act 2010 when recruiting staff. Section 60 of the 2010 Act relates to the recruitment process and specifically covers the enquiries that can be made before employment. An employer is not permitted to ask questions about a job applicant's health before offering work or, where not in a position to offer work, before including the applicant in a pool of applicants from whom the employer intends (when in a position to do so) to select a person to whom to offer work. If an employer does ask health questions before a job is offered and subsequently does not offer the person a job, the burden of proof will be on the employer to prove that there was no discrimination. An applicant cannot bring an action solely on the grounds that a prohibited question on health was asked. However the Commission for Equality on Human Rights (CEHR) has powers under the Equality Act 2006 to enforce a breach of these provisions.
3. Advertisements for recruitment will not request applicants from a particular age range; neither will the application form request dates of birth or other age related details.
4. All application forms shall state that the Parish Council encourages applications from all, including and especially those from the Protected Groups.
5. In order not to discriminate against younger people, all application material will emphasise the importance of skills and potential, as well as experience.
6. The Parish Council will ensure that there is no age discrimination in relation to the dismissal of staff.
7. Any age discrimination shown to staff by other Staff Members, the Public or by the Council Members will be treated as a serious offence.
8. A job description and person specification must be drawn up for every vacancy and be provided to all prospective employees. Person and job specifications shall be strictly limited to those requirements which are necessary for the effective performance of the job.
9. Information about job vacancies must be made available to all sections of the community (except in situations where, in line with relevant employment legislation and the Council's Employment Policy, external advertising of vacancies is restricted).

Service Provisions to the Public

1. All Members of the Public will be treated fairly and consistently
2. All services shall be provided without unlawful discrimination, harassment or victimisation.
3. Those using Parish Council properties and facilities will be afforded all possible assistance so as to ensure that they can access these, with special attention being given to those who find it difficult to access facilities on the grounds of their age or disability or other Protected Characteristic.

4. All application forms – including Conditions of Use forms – made to the Parish Council shall state that the Parish Council will treat all applications equitably and take due consideration of those with Protected Characteristics.
5. All licence agreements – including allotment tenancy agreements – shall refer to this Equality Information statement.

Training and Development Opportunities

3. Where employees/members with disabilities undertake training and development, appropriate arrangements will be made as necessary to ensure that all opportunities are equally accessible.
